Boston - New York - Washington - Richmond
April 1969

Combined Timetables

Penn Central (Boston - New York - Washington and branches)
Reading (Newark - Philadelphia)
Central Railroad of New Jersey (Newark - Point Pleasant, Newark - Bound Brook)
Baltimore and Ohio Railroad (Baltimore - Washington)
Richmond, Fredericksburg and Potomac Railroad (Washington - Richmond)
Southern Railway (Washington - Alexandria)
Chesapeake and Ohio Railway (Washington - Alexandria)

Trains shown run Monday to Friday.

Each train is shown by a vertical white strip. More than one train may be shown in a column, separated by grey space.

Stations near each other are shown within the same pair of horizontal lines.

The signs ----> and <---- indicate that a train is continued to and from another column. Match the times to find the continuation. This notation is used to keep slower trains in the correct column order when they are overtaken by faster trains. It is not used for a single station, and is sometimes not used for local trains.

The signs > and < in adjacent columns indicate that trains exchange cars.

For major stations, arrive and leave times are shown. Where the same time is shown, it is the arrival time, and the train is allowed to leave as soon as possible. If the leave time is different, the train is required to wait.

Times starting with a dot are estimated.

The notation ----- means that a train passes the station without stopping. No mark means that the train does not pass the station but runs by some other route. Indentations in the station name column suggest branch lines and alternate routings. Stations marked with + have additional train service that is not shown: Boston South - Boston Back Bay ; Wayne Junction - Philadelphia Reading ; North Philadelphia - Philadelphia 30th St ; Philadelphia 30th St - Philadelphia Penn Center . There is also local rail transit service between Boston stations (subway) ; New York stations (subway) ; New York and Newark (PATH and other railways) ; and Philadelphia stations (subway).

This document is designed to be printed on 8.5 inch by 14 inch paper.

Compiled by Joseph Brennan, <brennan@columbia.edu>, from the Official Guide of the Railways (April 1969) with supplementary details from: New Haven timetable Stamford - New York (May 12, 1968), Central of New Jersey timetable Newark - Bound Brook (April 28, 1968), Pennsylvania Railroad timetables New Brunswick - New York (October 29, 1967 and November 14, 1971), Pennsylvania Railroad Eastern Region employee timetable (October 30, 1966, New York - Washington), Reading timetable West Trenton - Philadelphia (January 1, 1969). Times supplied from the supplementary sources start with a dot.
