

Note for students re social networking sites
Eric Verhoogen

I often get requests from SIPA students to be a contact or friend on social-networking sites and rather than respond to each individually I am posting a general policy here. I am willing to accept LinkedIn requests from SIPA students after the class is finished. I am generally not willing to accept Facebook friend requests from students. If you would like to stay in touch, please just send me an email every once in a while.
