

Engineering Resource Center Minutes: November 11th, 2008

12:00pm-1:00pm

Room 826, MUDD

AIChE Members Present: Brian M., Nancy, Nick, Brian A., Heather

Number of other guests: 3

Number of presenters: 4

1. Engineering Resource Center participating schools:
 - a. Rutgers
 - b. Purdue
 - c. NJIT
 - d. UPRM

2. Interesting Fact:
 - a. Medicine tablets are usually only 5% by weight of actual drug

3. Specialty:
 - a. Pharmaceuticals
 - i. drug synthesis...fixing up the process
 1. nix the batch process and make it continuous

4. Work through the center:
 - a. Research
 - b. Industrial collaboration

5. Summer Undergraduate Research Experience
 - a. in pharmaceutical engineering
 - b. information on main website under RISE program (umbrella organization)

Thanks for reading!
