

Columbia Biotechnology
Association presents

Biotechnology and Pharma: Evolution and Adaptation

 Register at www.nyas.org/sabiotech_affiliate1

Pharma and biotech provides us medicines and treatments that improve our lives, but these industries face significant challenges of decreased innovation and dwindling drug pipelines. Join us for an expert panel discussion that will address the impact of science, regulation, business, and society on the current state of drug development and its designs for the future.

Speakers

- ▶ **Robert A. Copeland**, EpiZyme, Inc.
- ▶ **Ralph Marcello**, Deloitte Consulting LLP
