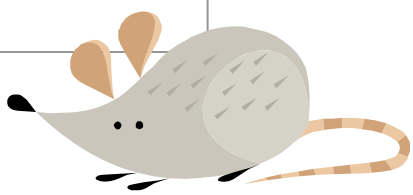
SURF Symposium

Last summer, 76 undergraduate students conducted research in the biological and medical sciences as interns in the Amgen Scholars Program and the Summer Undergraduate Research Fellowship Program (SURF).

Come hear them describe their experiences and learn more about this program.



Friday, January 23rd, 2009

11:00 -12:00 noon	Low Library, Faculty Room
Opening Remarks:	**Dr. Alice Heicklen**
Student Lectures:	**Laura McGarry**
	Morphological Classification of Cortical Neurons
	Ashira Lubkin
	The Positioning of Splicing Enhancers
	Melissa Lohmann
	Age and Neurogenesis
12:00 - 2:00 PM	Low Library, Rotunda
Poster Session:	2008 Student Research Posters

Light Lunch
