

CCSC '08 Minutes
November 11, 2004

- Isaac Meeting is called to order. Comments on the successful Alumni lunch at the Columbia Club next week.
- Matt CCSC '08 Website is completed. Waiting on ACIS to provide our council with URL.
Website will include pictures, data, and an e-mail response feature so our classmates can provide us with ideas/suggestions.
- Isaac Policy Issues: I scheduled a meeting with Health Services about payment options for HIV/AIDS testing.
Let's try to extend testing beyond Gay/Lesbian Center, and another way to handle payment options for testing.
- Matt Another Policy Issue: Met with Jay Orenduff about academic advising scheduling issues many students have.
Encourage students to "pre-book" for time slots with their advisors.
Attempt to expand the current 10-minute time slots to 15 minutes.
- Isaac Announcement: Study Break on November 23. Pumpkin pie and hot cider will be served, in accordance to our vote last week.
Chairs of the Study Break are: Ari & Vera
Next week we will discuss possible ways to heat the cider.
- Matt New Idea: Class T-Shirts. Create class t-shirts to build class unity.
Create a possible contest to design t-shirts? Can use website to post design submissions.

Another Announcement: Date for alumni basketball event is December 1. Alumni Affairs has rented the space above the Levine Gymnasium.
Refreshments will be served then between 12:00-1:00p at Levine.
- Isaac Another Idea: Create an Alumni Website? Website can link alumni with current Columbia students to help students who are interested in alumni's specialized field.

Now that Matt and I have spoken, representatives can now present other issues.
- Shoshana Winter Wonderland: We need to make a decision regarding how much our class council would like to contribute.
Tickets start selling November 29. Box office hours run from 12:00-5:00,

Monday through Saturday.

All Student Council members should try to sell tickets for 1-2 hours a week.

Talk to me after meeting if you are interested in selling tickets.

Ingrid Midnight Mania: Takes place November 17.

Try to go as a council to support our basketball team.

Matthew and Isaac Meeting adjourned.

Respectfully submitted
