

Columbia Chemistry Careers Committee

Thinking of a Career in Pharmaceutical Industry?

**Join us for a presentation in the morning followed by
Q&A in the afternoon with scientists from BMS**

What do industries look for in graduate students? What skills will make us marketable to big industries? What is the career track in the company? If you have questions about working in pharmaceutical industry, join us for 2 separate sessions with Dr. Balog and Dr. Deshpande (recruiters from BMS). There will be a short presentation by Dr. Balog in the morning, which will be an excellent introduction to the small group Q&A in the afternoon.

Monday, 17th September 2007

Presentation: 8.30 – 9.30AM

Q&A Session: 3.30PM

711 Havemeyer Hall

Breakfast/Refreshment will be served

This event is organised by C4 (Columbia Chemistry Careers Committee) and
BMS (Bristol-Myers Squibb)
