Please briefly answer the following questions. Limit your application to three pages.

1. Please discuss any volunteering you have been a part of.
2. Please discuss any relevant leadership activities that you have been a part of.
3. Which volunteer group in CI are you/will you become involved with? Why? (See attached CI Program Flyer for a list of CI volunteer groups)
4. What other organizations, groups, teams, etc do you hope to become involved with on campus?
5. CILP debriefs after all of our events to learn to plan events more efficiently. Evaluate one of your volunteer events in this way. What is your least favorite volunteer experience? Why? What could have been done to prevent it from being a bad experience?
6. Every year CILP hosts one or two campus-wide volunteer events to promote volunteerism among the Columbia community. If you were to plan one of these events, what would it be?
7. CILP is an opportunity for first-year students to become involved both in the greater leadership of Community Impact as well as a way to learn about being leaders on campus. Why are you interested in this program and what do you wish to gain from it?

Please submit to cilp@columbia.edu by 11:59 pm on Sunday, September 27th, 2009. Interviews will be conducted Friday, October 1st and Saturday, October 2nd, 2009.
