

# Classics, Classical Studies, Ancient History, Ancient Art & Archaeology at Columbia University Intensive Introductory Week

August 28-August 31, 2007

Orientation for new students in classical literature,  
language, and history:

- 1) Introduction to Columbia and to faculty concerned with antiquity
- 2) Information about the classical profession, current topics in ancient studies
- 3) How to access New York's many cultural resources, including libraries and museums
- 4) Gourmand lunches attended by current students, faculty, and Classics staff
