

**PhD Directed Research Form
EEEB G9501, G9502, G9503**

Department of Ecology, Evolution, and Environmental Biology

Instructions: Student should fill in all fields but the bottom four by editing the file on a computer. Supervisor should then sign the appropriate section below. The form should then be emailed to the Director of Graduate Studies (DGS) to be evaluated. The DGS will evaluate and sign-off on the form and will submit the form to the Departmental Administrator. Student should complete the form two days before the end of the Add Period in the semester during which the work will be conducted.

Student Name:	Date:
Directed Readings Course Number:	Semester / Number of Credits:
I wish to use this towards my (check 1): <input type="checkbox"/> POLICY or <input type="checkbox"/> SCIENCE electives or <input type="checkbox"/> I WILL NOT USE IT as an elective	Topic Title:
Course Content (general subjects to be covered, emphasis to be explored – less than 100 words):	Type of research to be done (brief description of techniques to be learned, analyses to be done, etc.)
