\* **“Learn-to”** packages include a **lower-mountain** lift ticket, rental, and an introductory-level lesson. The lift ticket is good only at select lifts. If you have never skied/snowboarded, this is an appropriate option, but if you consider yourself an advanced beginner, we recommend that you **not** get a learn-to package.

\*\* Double/triple occupancy units will be **limited**, first-come, first-serve, as we would like to open the trip up to as many as possible and have only 12 suites. If you choose this option, you **must** choose your roommates upon paying your deposit.

**Roommate request** (optional for 4 per suite occupancy; required for double/triple occupancy)
