January 30, 2008

WHEREAS Columbia Law School students are generally sleep-deprived and income-less,

WHEREAS coffee, when consumed as a complimentary beverage, has been shown to reverse the effects of sleep deprivation without promoting indebtedness,

THEREFORE BE IT RESOLVED the CLS Student Senate, working through committee and with the Law School Administration, shall explore whether free coffee can be provided to CLS students within Jerome Greene Hall and outside the normal business hours of Lenfest Café.
