Group name: Student Hurricane Network – Gulf Coast Caravan

Group contact: Uzoma Nkwonta  Position: organizer  Email address: unn1@columbia.edu

Event title: Spring Break Caravan

Description: From March 16 to the 22nd, seventeen Columbia Law School students will travel to the Gulf Coast and join forces with other law students from around the country to assist legal organizations with the ongoing relief efforts in communities affected by Hurricane Katrina. While we are not an official student group, our placements are coordinated by the Student Hurricane Network, a national association of law students and administrators. I am writing to request ad hoc funding on behalf of the participating students, all of whom would otherwise be required to pay for transportation and a week’s worth of accommodations out of their own pockets. The funds will be used for transportation, rental cars (to get to and from the placements), or accommodations. Please note that we are flexible as to where the funds will be allocated such that any money received will be spent in accordance with Senate Guidelines. Any assistance that Student Senate is able to provide would be greatly appreciated.

Date: March 16-22  Time: Location: New Orleans / Houston
Expected CLS attendance: 17 Volunteers for SHN

Outside sources of funding specific to this event: We are currently trying to obtain some funding from the school and private organizations but we are almost a week away from the trip and have no firm commitments yet.

Net funding request for this event: $3,400 $2,500

Notes: The amount requested would give each student a $200 stipend/discount, which is equal to what the students received from the school in previous years. The costs significantly exceed this amount but all of the volunteers are committed to contributing their own funds towards this cause. With this request, we only hope to alleviate some of the burden on students and ensure that everyone can participate.
