BUILDINGS BY LEOPOLD EIDLITZ (1823-1908): Inventory of part of a collection of photographs formed by Eidlitz featuring the State Capitol at Albany and now housed in the Avery Library. Also included is a building by Cyrus L. W. Eidlitz and one by Robert H. Robertson.

compiled by Herbert Mitchell

Ten of the photographs are the actual prints sent to the Architectural Record to be reproduced in Montgomery Schuyler's three part article on Eidlitz (v. 24, Sept., Oct. and Nov. 1908). These have been brought out in the Index.

Three other folders from Eidlitz's photograph collection have been cataloged separately.
Dimensions of photographs do not include the mounts.
