

**Hoffman, Frederick L. (Frederick Ludwig), 1865-1946.**

Papers, 1881-1989.

16 linear ft (ca. 5,000 items in 37 boxes & 5 volumes).

**Biography:** Statistician for the Prudential Insurance Company and an early investigator of the problem of cancer in various societies throughout the world.

**Summary:** His correspondence and writings. The papers include a large number of his business and personal letters, many of his publications, several articles about him, and numerous miscellaneous items that pertain to subjects that interested him. Parts of Hoffman's papers have already been deposited at Tulane University and at the University of Pennsylvania.

**SERIES II:** Correspondence, notes, manuscripts, and printed materials of Hoffman and his wife, Ella Hay Hoffman. Most of the items are of a personal nature, but there is substantial information about her involvement with the United Daughters of the Confederacy. Also included are correspondence, notes, manuscripts, and printed matter of Ella Hoffman Rigney, daughter of F.L. Hoffman and director of the Raphael House in San Francisco.

**Organization:** Selected materials cataloged; remainder arranged.

**Finding aids:** Contents list, 20p.

**Donors:** Gift of Francis J. Rigney (Columbia A.B. 1944, M.D. 1949) & Peter Hoffman Rigney (A.B. 1950) via Mrs Ella Hoffman Rigney, 1972. Gift of Francis J. Rigney, 1983, 1995 & 2000. Gift of Mrs Ella Hoffman Rigney, 1984-1986.

Available for faculty, students, and researchers engaged in scholarly or publication projects.

Permission to publish materials must be obtained in writing from the Librarian for Rare Books & Manuscripts.

Shelved on Stack 15/Cage 23/Range 25.
