DESCRIPTION:

Notes and correspondence of Marshall MacDuffie(1909-1967) pertaining to the life of Leo Szilard(1898-1964), a prominent nuclear physicist. The collection contains several letters written by Szilard, interviews by MacDuffie with Szilard, and two manuscripts concerning the early development of nuclear power. There is also a large number of clippings from magazines and newspapers describing Szilard's life and activities. Finally, many of Szilard's publications are included in the collection.
