DESCRIPTION: Papers of Vitalii I. Mushketov(1877-1953), an artist and professor of geology at St. Petersburg University. He emigrated with his wife to Germany in 1941. The collection consists of manuscripts, drawings and printed materials. The manuscripts include an album of drawings by Mushketov entitled "Istoriia drevnego Smolenska" with an accompanying explanatory text, and a biography of Mushketov by N. Mushketova. There is an icon of St. Paul, a copy of a 15th century work from Novgorod apparently by M.A. Korsunskorpis'. Printed materials consist mostly of clippings about Mushketov and his work.
