Bound photograph album entitled, "Prebyvanie ego imperatora skago velichestva v stavke glavnokomandujushchago 21-23 sentabria 1914 g." (The visit of his imperial majesty to the headquarters of the commander-in-chief, 21-23 September 1914). The album includes 70 photographs, both candid and posed shots. Tsar Nicholas II actually only appears in a few, as does Grand Duke Nikolai Nikolaevich; more of the photographs are of scenes and soldiers, apparently around the army headquarters.
