<sup>192</sup>  
~~170~~ Correspondence, manuscripts & reports  
The Collection consists of ~~153~~ boxes of manuscript materials, 6 scrapbooks, slides, records, film and card files.

The Papers reflect Professor Lindsay's various activities and are arranged in two sequences -- and alphabetical name file and an alphabetical subject file. Since many of the subjects are very closely related, the division between them is not always very sharp. Among the subjects covered are social legislation, I. L. O., National Child Labor Committee, Prohibition, Labor, Republican National Committee, Institute for Social Research, League of Nations, Humane Legislation, Housing, Harmon Foundation, Educational Radio Corporation and Bergh Foundation.

In so far as has been possible the papers have been left in the order in which they were filed by Professor Lindsay.

Boxes 167 through 169 contain the files of the Committee for Industrial Relations, 1912 - 1914.

N.B.: Parts of Lindsay have been in process since 1980.

On the shelf, There is cataloged correspondence (but no cards in the catalog), then correspondence to be cataloged , then the numbered boxes.

In the list, there is a list of cataloged correspondence (pp. A-B)  
a list of the names in the boxes of correspondence to be cataloged (pp. C-H)  
a box list of the rest of the collection (pp. 1-21)

a folder list of boxes 65-80 (prepared as part of the reprocessing)
