Honorable Herbert H. Lehman
United States Senate
Washington 25, D.C.

Dear Senator Lehman:

An address by Charles Abrams of New York at the twenty third annual meeting of the National Housing Conference was inserted in the Congressional Record for June 25, 1954, at your request. This speech discusses the legal implications of a recent Supreme Court action involving the question of segregation in public housing. If reprints of this speech are available I would appreciate your sending me a dozen copies.

In giving this speech a wider circulation, your public service is very much appreciated. Thank you very much.

Sincerely yours,

William E. Hill
