MEMO

December 19, 1955

To: Julius Edelstein

From: Frances Williams

The accompanying letter from Mr. Chamberlin to the President of General Motors describes at length what appears to be discrimination on the part of General Motors in Tarrytown, N. Y. It would therefore seem to me wise for us to get the point of view of the New York Commissioner against Discrimination on this subject before answering Mr. Chamberlin's letter.

Atch.
