Honorable George D. Aiken
United States Senate
Washington, D.C.

Dear George:

Recently the Office of Senator McCarran sent to members of the Senate a Resume of arguments in favor of his Omnibus Immigration Bill, S. 2550, and of charges against S. 2552, the Humphrey-Lehman Bill.

A number of the sponsors of S. 2552 have joined in a statement of reply to this Resume.

Since this subject is now before the Senate, you may wish to read the attached statement and see the basis of our position on this matter, as well as our answers to the statements contained in the Resume from Senator McCarran's Office.

With kind regards,

Very sincerely yours,
