Honororable George D. Aiken
United States Senate
Washington, D. C.

Dear George:

I wonder whether you have given serious thought to having some of us reintroduce the St. Lawrence Seaway legislation? It seems to me that we might have a very good chance of getting it through this session, particularly since on this occasion I would hope that it would have the approval of the Foreign Relations Committee.

I am still interested in the Project as much as ever, and I need not assure you, I am certain, that I will be very glad indeed to cooperate with you and others in what I consider a most important undertaking and one that will prove of great benefit to our country.

I hope that you are well and that you had at least some rest this summer. I hope to see you at an early date in Washington.

With kind personal regards, in which Mrs. Lehman joins me, I am

Yours very sincerely,
