The Officers of

THE AMERICAN JEWISH

JOINT DISTRIBUTION COMMITTEE

cordially invite you to attend

A MEETING OF EXTRAORDINARY IMPORTANCE

SUNDAY, DECEMBER 5, 1943
2:30 o'clock

GRAND BALLROOM, HOTEL COMMODORE

New York City

DR. JOSEPH J. SCHWARTZ
Chairman of the European Executive Council
of the J.D.C.

is returning to the United States in order to report to this
meeting on the situation of our fellow Jews overseas.
THE Joint Distribution Committee, which is entering its thirtieth year of activity in behalf of suffering Jewry the world over, is calling this important meeting because we believe that our fellow Jews throughout the United States want a picture of conditions overseas from the agency best able to give it.

Dr. Joseph J. Schwartz, as Chairman of the J.D.C.'s European Executive Council, has been recently in Portugal, North Africa, Palestine, Turkey and other areas of Jewish need. The report which he will give to the Jewish people of the United States on December 5 will be of vital concern to all of us. In addition to Dr. Schwartz, other speakers of national and international prominence will be on the program.

It need hardly be stated that the Jewish world tragedy and the call for relief, help and rehabilitation today transcends all past needs. It is the hope of the officers and Executive Committee of the J.D.C. that in the coming year we may be able to enlarge our efforts and services toward the rehabilitation of Jewish lives throughout the world. Therefore, the meeting on December 5, at which we hope you will be present, takes on extraordinary significance.

This meeting is not for the purpose of raising funds and no funds will be solicited.
