June 7, 1948

Dear Governor Lehman:

Herbert Swope, Ralph Lazrus and I would like you to join us at an informal dinner in the Janssen Suite of the Waldorf Astoria Hotel, Wednesday, June 16th, at 6:30 P.M.

We are getting together in the interest of the United Jewish Appeal campaign in New York which, as you know, supports the Jewish Telegraphic Agency. Although you have, in all probability, already contributed to this cause, I am sure you will want to join us to hear Eliahu Epstein, Minister-Designate of the State of Israel, Major Aubrey Eban, Israel's chief delegate to the United Nations and Drew Pearson, the noted journalist and radio news commentator.

Won't you please let us know that we may expect you by telephoning MU 3-2997. We shall look forward to hearing from you.

Sincerely,

George Bäcker
