Honorable Frank A. Barrett
United States Senate
Senate Office Building
Washington, D. C.

Dear Senator Barrett:

Thank you for writing me of your plans to introduce a bill authorizing the issuance of a commemorative stamp honoring the founding of Devil's Tower National Monument.

I have noted that Governor Harriman is supporting your proposal. However, I do not feel that I have sufficient knowledge of the matter to join as a co-sponsor of the proposed bill.

Yours very sincerely,

Herbert H. Lehman
