United States Senate

MEMORANDUM

April 13, 1951

Governor:

Dr. Slawson's office called me to say they have been asked to give ten names of people to be listed as a Committee of Welcome to Prime Minister Ben-Gurion when he arrives on May 7th.

They are going to have a rally for him in Madison Square Garden.

By being listed would not entail coming to New York or to be present or to be present at any function.

Some of the others to be listed: Sam Leidesdorf, Irving Engel, Ed Norman, Judge Proskauer, John Slawson, Mr. Balustein.

Agreed to be listed.

Miss Silverstein knows the Senator cannot go to New York.
