Honorable Herbert H. Lehman  
United States Senate  
Washington, D. C.  

Dear Senator Lehman:  

I appreciate receiving your letter of February 27 inviting me to join in a resolution you propose to introduce concerning the Cyprus situation.  

I do not feel that I know enough about that situation to express the opinion that your resolution expresses. If the resolution should come before the Senate for action, I will try to prepare myself to vote intelligently on it. But, at this point I do not feel that it would be wise for me to become one of its sponsors.  

Very truly yours,  

Wallace F. Bennett
