August 21, 1950

The Honorable
Herbert H. Lehman
United States Senate
Washington, D.C.

Dear Senator:

If you see how to improve on the attached letter, and I'm sure that many, many improvements are possible. I hope you will give me your guidance.

And the only reason I left that dinner for Senator Pepper—was that I had so much work to do.

Very sincerely yours,

William Benton
U. S. Senate
