Dear Governor,

I congratulate the citizens of the state of New York that they are to have four years more of happy American government.

Our dear Leader Verhas learned a lesson of nothing which would be better for all of us.
But for my dear friend
Herbert Lehman, I am
not to busy. I hope
that he would be permitted
to use these God given
faculties this in
the U.S. Senate so that
not only us of New York
but all the people of
this country, would that
the benefits. A pleasure
defend makes it all
the stronger to base
pray that the Good Lord
will make this possible
fages at a later day
Your best wishes to you,

W. B.
