Dear Herbert:

I thank you cordially for your acceptance of our invitation, to be the Guest Speaker, at the dinner of the Assembly of the United States Chapter of the International College of Surgeons, to be held at the Palmer House on October 1, 1947.

The Officers of the United States Chapter, are overjoyed at your acceptance of their invitation to speak. The subject of your address is of your own selection.

Of course you and Edith, if she will honor us with her presence, are to be the guests of the College. If you will let me know how you will travel, whether by air or train, we will reserve your tickets.

With renewed thanks and cordial good wishes,

As always,

A. A.
