THE ATTORNEY GENERAL
WASHINGTON

December 3, 1942

My dear Governor Lehman:

I was very much pleased that the President had appointed you as Director of Foreign Relief and Rehabilitation Operations, and that you had been willing to accept the appointment. It has, of course, significant possibilities not only now but in the post-war work.

It would give me a great deal of pleasure if, sometime at your leisure, you would take lunch with me. There are some angles of the work in which I might be of some help to you.

Sincerely yours,

Honorable Herbert H. Lehman
