Ambassador William Blair  
United States Embassy  
Copenhagen, Denmark

Dear Mr. Ambassador:

Thank you ever so much for your cable of congratulations on the result of the primary election. It was very thoughtful of you to cable me and I greatly appreciate it.

The victory which Mayor Wagner and the reform movement achieved on September 7th will, I hope, contribute to the welfare of all the people of New York. Mayor Wagner will be confronted by many serious problems and difficulties. I believe, however, that he will rise to meet the challenge of his increased responsibilities and will give the city a good, clean, experienced and unbossed administration.

With warmest good wishes to you and Mrs. Blair, in which Edith joins me, I am

Very sincerely yours,
