Dear Sirs:

Thank you very much indeed for sending me an advance copy of MY LIFE: THE MEMOIRS OF CLAUDE BOWERS. I have read it with great interest.

The author, a respected historian and biographer, and a distinguished diplomat for more than twenty-five years, has painted a graphic picture of the personalities with whom he was associated and the period covering his public service. I am sure his memoirs will interest many people and merit wide reading.

Yours very sincerely,

P.S. You may use all or part of the above in connection with your publicity.
