My dear Governor,

The Savings Bank Insurance Council has asked me to write you about our dinner on May 24, to celebrate the existence of 50 million dollars of Savings Bank Life Insurance in this State. This has been sold, as you know, in the last six years since, on your recommendation, the Legislature enacted the law. We would appreciate it very much if you could attend this dinner. We know you are very busy, but still we hope that you might be able to come. If this is not possible, would you be
good enough to write us a few lines that we could read at that dinner. We would deeply appreciate this also.

With thanks in advance,

Sincerely yours,

Susan Brandeis
