NEGRO ATHLETE HALL OF FAME

---

An Association Chartered by the State of New York to provide Inspirational Recognition for Noteworthy Accomplishment in Amateur and Professional Sport

I believe it is fitting and proper that Negro athletes whose accomplishments have done so much to improve American relations should be placed on the roster of the Negro Hall of Fame as an inspiration to the youth of the nation.

Therefore, I shall be pleased to have my name included on an Honorary Committee.

(Among the objectives of the National Committee is the awarding of scholarships to students at smaller institutions whose athletic prowess warrant greater opportunity and an inter-city program of amateur competitions.)
