Honorable Herbert H. Lehman
Senate Office Building
Washington 25, D. C.

Dear Senator Lehman:

I thought you might be interested in the enclosed Registration Pamphlet put out by the National Committee. It is the first comprehensive pamphlet that we have ever issued on this subject.

In this connection, as you know, the Democratic National Committee is conducting a national Registration Drive this year. Twenty-four States have already appointed Registration Chairmen.

If you have any question concerning either the pamphlet or the Registration Drive, I do hope you will get in touch with Claiborne Pell, National Registration Chairman.

With kindest regards, I am

Sincerely,

Paul M. Butler
