Hon. Herbert H. Lehman
United States Senate
Washington 25, D. C.

Dear Senator Lehman:

I wish to call your attention to Reorganization Plan No. 5 of 1953, which relates to the Export-Import Bank and which was referred to the Committee on Government Operations on April 30, 1953.

Since the proposals contained in the Plan are important, you have no doubt given the matter some consideration and study.

In any event, I would appreciate having your personal comment and also would like to know whether or not you think it advisable to have the Senate Banking and Currency Committee meet in executive session to discuss the Plan.

Respectfully submitted,

Homer E. Capehart
Chairman
