RECOVERING RAPIDLY at her home is Patty Carey, 8, daughter of IUE-CIO Administrative Chairman James B. Carey, who was unconscious for 32 days after being hit by an automobile and dragged more than 100 feet while on her way to school on Jan. 5. She is able to walk and to talk to her little friends on the telephone but is still under medical care, must be massaged daily. Patty and her doll “Butchy” look over a new picture book.
