Prof. Rene Cassin
Vice President
Conseil D'Etat
Paris, France

My dear Professor Cassin:

My young friend, Robert Low, brought me your very friendly note and told me of his visit with you, which he greatly enjoyed.

I much appreciate your congratulations and good wishes and your continued confidence in me. Bob also gave me the clipping from the Paris paper, containing an article by you. I have read with much interest and great appreciation your very friendly reference to my re-election to the United States Senate.

It is a long time since we have met. I do hope to have the pleasure of seeing you again before long. Since in all probability Congress will sit almost continuously throughout the year, it is unlikely that Mrs. Lehman and I will get to France soon. I do hope, however, that if you visit this country again, you will let me know in advance. It would give me great pleasure to greet you either in New York or Washington.

With kindest personal regards, in which Edith joins me, I am

Very sincerely yours,
