The Honorable Herbert H. Lehman  
United States Senate  
Washington, D. C.

Dear Senator Lehman:

Please accept my deepest appreciation for your willingness to serve on the National Crusade Council of the Crusade for Freedom.

The contest to win men to ideals of freedom, peace and justice has reached a stage of crisis. Recent events have increased the urgency of the Freedom Crusade to help meet the powerful and determined propaganda attack of the Communists.

Your association with the Crusade will lend the kind of prestige it requires to be successful. The interest you have shown and the counsel you can offer as we progress promises enduring success for this effort.

With best wishes,

Sincerely,

Lucius D. Clay
