The Honorable Herbert H. Lehman  
Governor of New York  
Albany, N. Y.

My dear Governor Lehman:

Because of my interest in the success of the United Religious Work at Cornell University, I am very anxious to have you try to arrange your busy schedule in a way that will permit you to accept their invitation to address the students in Ithaca next February.

With every good wish to Mrs. Lehman and to you,

Cordially,

EVERETT R. CLINCHY
