Hon. Herbert H. Lehman
Executive Chambers
Albany, N. Y.

Dear Governor Lehman:

It gives me genuine pleasure to extend the congratulations of this organization to you upon the signing of the Muzzicato Bill.

In giving your approval to this measure, you have done much to insure the continuation of the 5% fare, so important at this time of all out effort for victory of the democratic way of life.

With best wishes.

Very sincerely,

Eugene P. Connolly
