Honorable Herbert H. Lehman
820 Park Avenue
New York, New York

Dear Governor:

In my forthcoming volume of "The Wilson Era" covering the war period - I wish to include your picture along with some others who took part in the war and were advisers of the President.

Please send me your photograph - preferably one in uniform and if you will give your rank, how long you served, etc., I will appreciate it.

Sincerely yours,

Josephus Daniels
