Dec. 31, 1932,

Hon. Herbert Lehman,
Executive Mansion
Albany.

Dear Herbert:

I have been hoping — since my return from Europe a few days ago — to call and tell you in person how very pleased I was over your election as governor, but so far it has not been possible for me to do so.

You certainly deserved to be nominated and elected and it is gratifying that the citizens of this state should have —
shown so conclusively their appreciation of your ability and distinguished public service.

It was rather trying on us to have to be absent during the election campaign — although I was not needed here.

Wishing you the greatest possible measure of success and satisfaction and hoping to see you some time soon,

I am

Cordially yours,
