Dear Governor Lehman,

We were so sorry that you were unable to attend our January dinner when we were honoring the three new Democratic women and men. We were delighted to see Governor Wilson and Mrs. Josephine Daniels were very quests.

On Thursday, February 15th the First Vice President and I were present at the dinner and it was quite pleasant. Clayby was very great pleasure.

We hope you are all well.

Sincerely,

Mrs. Herbert Grove Dorsey
Will send & hope to get home to the co. of your letters from me. I hear you went West today.

With best wishes to Miss Selma
