Honorable Herbert H. Lehman
Governor of New York State
Albany, New York

My dear Governor Lehman:

Would it be possible for you to see me and a small committee of working women, the next time you are in New York, on a matter which is of great importance for the working women of the State?

It would mean a great deal to us if you would be so kind as to allow us a few minutes of your time.

Always with warmest regards and appreciation, I am,

Very sincerely yours,

Mary E. Dreier
Vice-President
