PRESIDENT'S OFFICE

December 21, 1932.

Hon. Herbert H. Lehman,
Governor-elect,
State of New York,
Albany, N.Y.

Dear Governor:

I certainly realize how preoccupied you are and the enormous demand on your time from all directions. Yet, I take the liberty of requesting you to grant me a few minutes, in Albany or New York, at as early a date as your convenience might suggest, to present for your consideration a matter of vital import affecting the very core of the garment industry in this State which involves at the same time industrial and legal aspects in several adjacent States.

As I intend to be at Albany on January 2nd, having been honored by an invitation to attend your inauguration, I should be glad to stay over until the next day, if you could make it possible to receive me on January 3rd.

Assuring you of my highest esteem and thanking you kindly in advance for your consideration of this request, I am

Respectfully yours,

David Dubinsky
PRESIDENT-GENERAL SECRETARY
