Dear Stone:

At the suggestion of Hiram Gans of State Headquarters, I hand you herewith copy of letter I am today sending Gans, together with copy of the statement therein mentioned on the subject of the Wood-Rankin Committee. Gans thought that you would be interested.

As you know, the State platform came out for dissolution of the Wood-Rankin Committee. It is my firm belief that this is an issue which can be used to great advantage particularly in New York City and in some of the larger cities up-state. I have assembled a great deal of material on the subject and if you are interested I will be glad to go over it with you.

Sincerely,

Enc:
