Hon. Herbert H. Lehman,  
Lieutenant-Governor,  
Executive Chamber,  
Albany, N. Y.

Dear Governor Lehman:

The stenotypist has done a fairly prompt job in giving us his draft of the discussions at the Harvard Club on June 28. It impresses me as having a large amount of extremely valuable material. We are sending to each speaker the draft of his remarks for revision. When all revisions have been received, we look forward to having copies made available either by mimeograph, or presumably by printing.

That will probably mean a delay until autumn, as it may not easily be possible to reach all the speakers during the vacation season. Meantime, it may be useful to you to have a copy of the first draft, and I am sending you one under separate cover. It is not authoritative, of course, and naturally should not be published or quoted, except for what it is, -- the stenographer's unrevised transcript.

We have only five copies available. I am sending one to Dr. Parsons and one to you. Perhaps you will find,
if you think it best, a convenient time to place this in the Governor's hands when he might be able to look it over. In meeting him the other day, I found that he had been much interested and impressed by the account you had given him of the Conference.

Sincerely yours,

[Signature]

Secretary.
